OFFERING #9-A

[Price list of] MATURE PLANTS - *Orchids.*

These plants were selected for sale while in flower. The prices were established on the basis of the quality of the flower and the size of the plant. Many of the plants have been repotted since they were selected, and are established in new osmundine.

They are all fine, healthy well established plants that will produce good cut flowers. We have described the bloom as accurately as possible as the description was written into our records as the plant was actually in flower.

The plants that are priced at so much less a certain amount, such as \$50.00 - \$42.50, are plants that have bloomed a slightly deformed flower at one time but good at others. The higher price is our estimate of the value if this had not happened. *

Since we have only one plant of each variety, please indicate a second and third choice when ordering. No substitutions will be made unless authorized by you.

Prices are F.O.B. Chattanooga. Plants to U.S.A. and Canada will be shipped in clay pots by Railway Express unless otherwise directed. Plants for foreign shipment will be sent out of pots by Air Express.

OFFERING #3-A

MATURE PLANTS

These plants were selected for sale while in flower. The prices were established on the basis of the quality of the flower and the size of the plant. Many of the plants have been reported since they were selected, and are established in new surroundings.

They are all fine, healthy well established plants that will produce good cut flowers. We have described the bloom as accurately as possible as the description was written into our records as the plant was actually in flower.

The plants that are priced at so much less a certain amount, such as \$50.00 - \$42.50, are plants that have bloomed a slightly deformed flower at one time but good at others. The higher price is our estimate of the value if this had not happened. *

Since we have only one plant of each variety, please indicate a second and third choice when ordering. No substitutions will be made unless authorized by you.

Prices are F.O.B. Chattanooga. Plants to U.S.A. and Canada will be shipped in clay pots by Railway Express unless otherwise directed. Plants for foreign shipment will be sent out of pots by Air Express.
